About the Seminar :-

The National Accreditation and Assesement Council (NAAC) has the prome agenda to asses and acreditedate Institutions of Higher learning with all abjective of helping them to work contirnosly to improve the quality of Higher Eduaction.

This National Seminar will give us opportunity in facilitating the exchange of experiance for quality enhancement among the partipants from various institution.

About the College :-

Ram Tahal Choudhary college, Dardag, Ormanjhi, Ranchi was established in 1985 but the studies started properly from 1988. The History of the establishment of this college is full of struggle and very interesting in itself. Before 1985, there was a distance of about 50 km between Ranchi and Ramgarh. There was no college in its periphery, children and girls could study only till matriculation. By the way, there was no environment to study at that time. The tradition here was to do farming, rear cows, bulls, sheep, goats, buffaloes, pigs, chickens etc. Most of the time of the people was spent in the fields, barns and forests. After waking up in the morning people would walk towards the forest with cows, goats, and oxes and spending their whole day in forest. They used to pass the time by eating the root of the forest, Khukdi (Jungli Mushroom) Putka (Rugra), Genth Kanda, Katai sag, used to bring vegetables. Used to eat Mahua and Sarai fruits together. The lifestyle of that time was different. The children of today are not even aware of it, girls used to spend time by chuckling cow dung. Child marriage was a tradition at that time. Girls used to get tattooed in their body. Due to child marriage, girls were deprived of school education. Due to mismatched marriages, divorce was also very high. Shri Ram Tahal Choudhary, who represented Ranchi Lok Sabha five times, was also an MLA. He also held the responsibility of the post of “chief of his Arbitrage” and the “head of the arbitrage committee”. Stayed on everyone too for a long time. He used to run trade unions in many public establishments for the benefit of the workers. He was busy in the work of social reform. By gathering new youths and establishing a youth union, he used to work night in village-village to rid up evil practices and child marriage, divorce, drug addiction, mutual discord giving inspiration to stay away from it. In this sequence, he realized that illiteracy is at the root of all evils and malpractices. Therefore, to avoid it, it is necessary that people

should be educated. In the same sequence, a campaign was launched to educate the people by establishing high schools in every block. Arrangements were made to educate the people at low fees. School buildings were built by donating, collecting money by playing lottery etc. because at that time there were not enough schools. After completing the high school education, there was a problem of pursuing Inter and Graduation. From where they can take education! Children from rich households used to complete their studies by going to Ranchi or Ramgarh. Although, the expenses were very high and due to lack of transporting, they also used to face a lot of problems. They used to leave for college very early in the morning and reach the college. After studying all day, they returned to home at late evening. Even they had to go through the day without eating and drinking. Due to these reasons, the need for a college started becoming felt. But there was neither land nor building for that, there were no teachers. There was no fund to open the college.

Our Vision :-

Ram Tahal Choudhary (R.T.C.) College Dardag, Ormanjhi, Ranchi is one of the top most self-financed co-education colleges in Ranchi, Jharkhand, established in 1988 and Managed by the Gramvasi AlpasankhyakVidhawardhani Samiti, a charitable society for Human Welfare Under the Act. 21, 1860 with the registration No. 191/1978-79 (Bihar) and 355/2006-07 (Jharkhand) dated 07.11.2006.

The College has introduced Bachelors' Arts, Bachelors' Commerce and Works in Progress for Bachelors' of Science with an aim to impact graduation Degree to meet the growing manpower requirement in higher Secondary, upper primary and primary school with a view to inculcating the spirit of good education.

The College has already created a congenial social and academic environment among the people of Ranchi and has aimed at forming academic faculties with highest rigor of academic standard under the Guidance of permanent, part time and visiting faculties from the reputed academic institutions. This institution is also intended to convey professional education in the best possible manner which is a demand of new country.

About Us

Rambha College of Education is managed by Rambha Social work and Educational Trust.

It is located at Gitilata, Tata Hata Main Road which is 10 km from Tatanagar station and well connected to Jamshedpur City through SH 6.

It is recognised by ERC NCTE New Delhi and Affiliated with Kolhan University Chaibasa and Jharkhand Academic Council Ranchi to provide education in B.Ed D.El.Ed .

Rambha College of Education is committed to provide competency, commitment and performance based teacher training. We sensitize our training teachers about emerging issues such as environment, population, gender equality and ICT literacy.

Our Mission

Rambha College mission of providing education for life, and emphasis on compassion driven research, has shaped Rambha college as a unique institution:

There are two types of education: education for living and education for life. Studying to become a professional is education for a living, while, education for life requires an understanding of the essential human values. At Rambha College we believe that education should also impart a culture of the heart, based on enduring values and inner strength. Rambha College of education helps to inculcate in our students the right ethos to be rooted in the values of Dharma (righteousness), Karuna (compassion), and Shraddha (mindfulness).
